  - Pre-fab building with two handicap accessible bathrooms and a utility closet
  - Cost includes building package, delivery, and crane rental
  
- Bobcat Building package - \$83,395
  - Pre-fab building with two multi-person handicap accessible bathrooms and a utility closet
  - Cost includes building package, delivery, and crane rental

**Other Cost Estimate**

- Local Contractor - \$61,000
  - Complete structure

**Portable Cost Option**

- Another possibility would be acquisition of restroom trailer
  - Positives to this option are the mobility, as it could be used for tournaments at more places
  - Could also be used for street dance or fall festival

One sample option found was the 2007 ADA PLUS 9 RESTROOM TRAILER pictured below

**2007 ADA Plus 9 Restroom Trailer for \$33,700**

- 1000 Gal Waste Tank
- Mens 2 toilets/2 urinals
- Ladies 4 Stalls
- Baby Changing Station
- Lowering ADA Unit with Toilet and Sink
- Louvered Doors on Stalls
- Sound System
