Lieutenant: Nicholas Bleess (Elected 2 year term)

Cell: 507-525-5600

Training Officer: Zach Tvedten (Appointed Position)

Cell: 507-525-0227

# **Blue Earth Fire Department**

## **New Truck Update**

We placed an order with Heiman Fire Equipment in September of 2020 for a new Rosenbauer fire truck. This truck will be our new main pumper. Our current 2003 pumper will become our secondary pumper, and our current 1982 pumper will be removed from our fleet.

The new truck will be purchased through the Sourcewell purchasing consortium. The contract price is \$547,009.00. If the \$276,848.00 chassis portion of the contract is paid for upon arrival of the chassis at Rosenbauer's South Dakota facility, we may deduct \$10,629.00 from the total. We also executed a change order in November of 2020 to change some of the compartment shelving and electrical outlets to better suit the department's needs. The cost of the change order will be \$1878.00. All together this will bring the total price of the truck to \$538,258.00. We will also be purchasing some of the required loose equipment, outside of this contract, as it is less expensive than including it in the truck contract.

The truck is estimated to be completed between November 2021 and January 2022. With supply chain and delivery problems that seem to be common with the Covid Pandemic, I would not be surprised if the completion is slightly delayed.

We are looking forward to the arrival of this new truck with great anticipation. It will be a great addition that will help us serve the community's current and future needs.

Assistant Fire Chief

Ashley Bless

Change Order Requested From XX Fire Dept.    Dealer    Central Change Order No. ( 1 )

We Hereby Agree to Make the change(s) specified below:

#1	<b>ADD a pedestal mounted Q siren (Q2B) on the Driver's side front bumper.</b>  <b>Note: The siren will be controlled through both vistas.</b>  <b>Note: A siren brake switch will be provided on both the Officer's and Driver's dash.</b>	<b>Add:           \$3,852.00</b>
#2	<b>DELETE the cabinet that is currently specified for the Driver's side rear wall (forward facing).</b>  <b>Note: This is the cabinet discussed at pre-construction.</b>	<b>Deduct:       (\$1,995.00)</b>
#3	<b>CLARIFY the layout and design of compartment L-1:</b>  <> <b>One (1) toolbox (4 drawer) will be installed on the floor.</b>  <b>Note: All of the drawers will have rubber liners included.</b>  <> <b>Two (2) adjustable shelves will get installed in the upper portion above the toolbox.</b>	<b>~ No Charge ~</b>
#4	<b>CLARIFY that it will get noted to provide a swing-out toolboard in compartment L-2.</b>	<b>~ No Charge ~</b>

**#5 CLARIFY the layout and design of compartment L-3:**

- <> One (1) vertically mounted divider installed at the rear tank wall (approx. middle of compt.).
- <> Three (3) adjustable shelves will get installed in the forward portion ahead of the divider added.
- <> Two (2) roll-out trays will get installed in the rearward portion of the compartment.

Note: One (1) roll-out tray will be floor mounted and the other will be adjustable in height.

Note: The charges associated for Item #5 are for the additional set of uni-struts, and hardware to make the roll-out tray adjustable.

Add:           \$301.00

**#6 CLARIFY the layout and design of compartment R-1:**

- <> Three (3) adjustable shelves.

~ No Charge ~

**#7 CLARIFY the layout and design of compartment R-2:**

- <> One (1) SCBA bottle rack (x6) will get installed in the forward portion (towards the cab).

Note: The bottle rack will be x3 bottles high x2 bottles wide.

- <> One (1) adjustable shelf will get installed rearward of the bottle rack.

~ No Charge ~

**#8 CLARIFY the layout and design of compartment R-3:**

- <> One (1) vertically mounted divider installed 36" off the forward wall.
- <> One (1) roll-out toolboard will get installed in the forward portion ahead of the divider added.

Note: This toolboard will be adjustable from side-to-side.

Note: All four (4) SCBA brackets will get installed on the toolboard, two (2) on each side.

- <> Three (3) adjustable shelves will get installed in the rearward portion.

Note: The charges associated for Item #8 are for the additional set of uni-struts to make the toolboard adjustable from side-to-side.

Add:           \$96.00

**#9 CLARIFY the layout and design of the rear center compartment (RCC):**

<> One (1) floor mounted roll-out tray.

<> Three (3) adjustable shelves in the mid to upper portion.

~ No Charge ~

**#10 DELETE one (1) of the roll-out tool boards that was originally specified for compartment L-3.**

Deduct: (\$533.00)

**#11 DELETE one (1) adjustable shelf, fifteen (15) shelves will get installed as follows:**

<> Two (2) in L-1

<> Three (3) in L-3

<> Three (3) in R-1

<> One (1) in R-2

<> Three (3) in R-3

<> Three (3) in RCC

Deduct: (\$195.00)

**#12 ADD two (2) vertical dividers, one (1) in compartment L-3 and the other in R-3.**

Add: \$568.00

**#13 DELETE the single SCBA mounting bracket specified and discussed at pre-con.**

Note: This bracket was specified in addition to the four (4) noted for installation in compartment R-3 (Item #8).

Deduct: (\$216.00)

**WE AGREE** hereby to make change(s) specified above at this price **\$1,878.00**

(Body) PREVIOUS CONTRACT AMOUNT **\$270,161.00**

(Body) REVISED CONTRACT TOTAL **\$272,039.00**

**Due to lead times of components and in fabrication this change order may delay delivery.**

**ACCEPTED** -The above price and specifications of the Change Order are satisfactory and are hereby accepted. All work to be performed under same terms and conditions as specified in original contract unless otherwise stipulated.

APPENDIX C  
CHANGE ORDER POLICY

This change order policy is intended to reflect the increased cost of changes which result in delayed deliveries, confused paperwork, poor production flow and increased potential of trucks being built to incorrect specifications. With your cooperation, changes can be kept to a minimum which means we will be able to reduce lead times, increase production and maintain costs which will benefit all of us.

Our objective is accurate, high quality and on-time deliveries exceeding our customer expectations.

Changes any time after the order is received may delay the quoted delivery date. Significant design or component changes will have the largest impact on the schedule and quoted delivery date. Changes that occur later in the process will also have the largest impact on the schedule and quoted delivery date.

All time fences are reference to contract execution date if not otherwise stated.

**Change Window #1**

All changes will be priced at standard pricing and specials will be priced through our normal process. Significant changes made to the vehicle during this time period may result in a delivery extension.

RBM Chassis	0-60 days
RBA Aerial	0-60 days
Rosenbauer Body	0-60 days

**Change Window #2**

All changes are subject to a 25% mark-up, as well as a \$250.00 change order processing fee. All changes are subject to factory review and may be denied due to engineering or lead time issues.

RBM Chassis	61-75 days
RBA Aerial	61-75 days
Rosenbauer Body	61-120 days

**Change Window #3**

All changes are subject to a 50% mark-up, and 50% restocking fee on deleted items, as well as a \$250.00 change order processing fee. All changes are subject to factory review and may be denied due to engineering or lead time issues. No major components can be changed at this time; major components are considered engine, transmission, axles, suspension, cab, frame (wheelbase), seats, water pump and water tank.

RBM Chassis	76-120 days
RBA Aerial	76-120 days
Rosenbauer Body	121-180 days

**Change Window #4**

Changes are not recommended at this time. Any changes requested will be priced on a time and material basis, as well as a \$500.00 change order processing fee. Any changes requested, and that are quoted to the customer, must be approved by the customer within three days or they will not be valid.

RBM Chassis	After 120 days
RBA Aerial	After 120 days
Rosenbauer Body	After 180 days

*\*Note: Any late change orders that are factory driven will be done at cost and no additional mark up or penalties will apply.*
