RE: Resignation from Council Position

Dear Blue Earth City Council, Mayor, staff and citizens of Blue Earth,  
I am writing to inform you that my family and I will be moving outside of city limits and I will no longer be able to remain on the Blue Earth City council and any subcommittees that have bylaws preventing me from serving on them. I am asking you to please accept this resignation effective at the close of the regular council meeting of August 2, 2021.

I wish to extend my gratitude to the Council members that gave me a chance to serve Blue Earth in this capacity in 2016. Having never served in public office before, I feel I had one of the best experiences one could. Everyone on this council strives to be respectful and truly wants the best for Blue Earth.

My hope is that there will be many willing and able to fill the vacancy. I am proud of the many projects that took place. Most especially the public works shop, Main Street reconstruction, Sailor street reconstruction, housing developments and the wastewater treatment plant rebuild.

Best Regards,

*Dan Warner*
