Those present were: Eugene Murphy, Marilyn Stensland, Marty Cassem, Darlene Anderson, Arnold Thron, Sue Cassens.

Staff: Linda Jahnke, Director

A motion was made by Marilyn Stensland, seconded by Arnold Thron to approve the minutes. Motion carried.

A motion was made by Marty Cassem, seconded by Sue Cassens to approve the bills. Motion carried.

We served 462 meals the month of November.

We discussed our Happy Hour Party. People would like to do it again so will schedule another one in the New Year.

Our piano has been tuned. It was in bad shape and really needed it done. We have another problem with it. A motion was made by Marilyn Stensland, seconded by Darlene Anderson to have the problem fixed. The tuner has to take out the keyboard as a couple screws are under there so the keys are not working right as the piece that the screw hold on is off so he will also have to put that back on.

For our game day we will be having BINGO on Wednesday, December 21st at 1pm.

We had our Christmas Open House on December 8th. It was well attended. More Christmas music will be performed on Thursday, December 15th, with a lunch afterwards.

The Senior Center Board gave Marty Cassem a big 'thank you' for being our liaison to the council. We celebrated with coffee and bars.

Meeting was adjourned. Next meeting January 10, 2023.
